

Use Case: Site Navigation

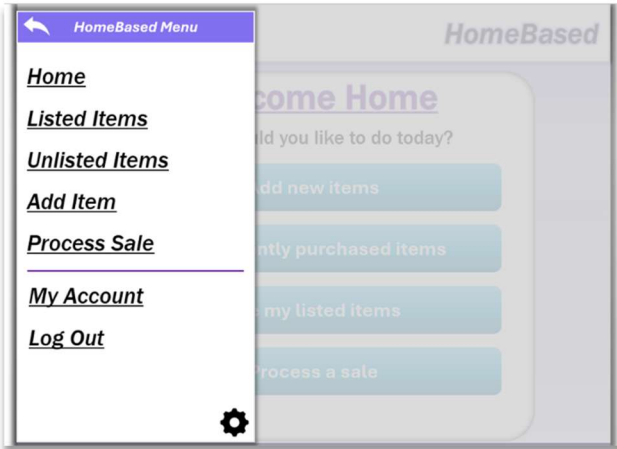

The login screen features a purple header with the 'HomeBased' logo. The main content area is white with a purple border. It contains a 'Welcome Home' heading, followed by two input fields for 'Email Address' and 'Password'. A 'Sign In' button is positioned below the password field, and a 'Create New Account' link is at the bottom. A 'Forgot Password?' link is located to the right of the password field.

Enter the login details, then click Sign in.

The landing page has a purple header with the 'HomeBased' logo and a hamburger menu icon. The main content area is white with a purple border. It features a 'Welcome Home' heading, a question 'What would you like to do today?', and five blue buttons: 'Add new items', 'List recently purchased items', 'See my listed items', and 'Process a sale'.

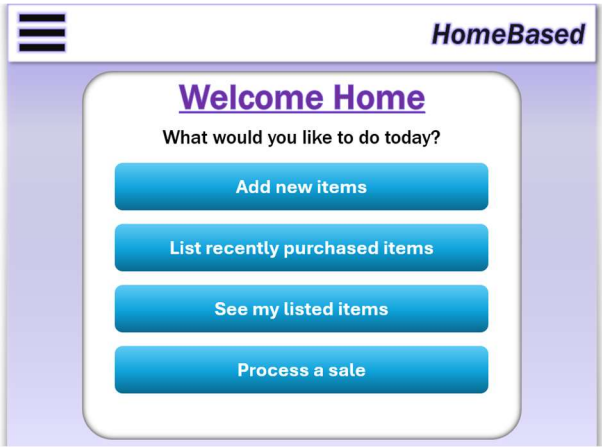

Select an action from the landing page.

The menu overlay is a white box with a purple header labeled 'HomeBased Menu'. It contains a list of links: 'Home', 'Listed Items', 'Unlisted Items', 'Add Item', 'Process Sale', 'My Account', and 'Log Out'. A gear icon is located at the bottom right of the menu.

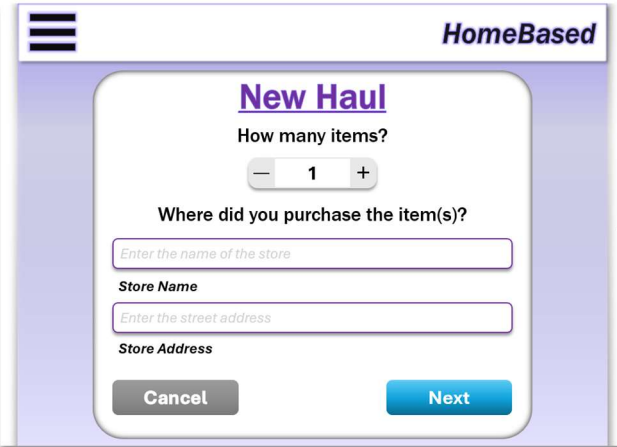

Use the collapsible menu to navigate.

Use Case: Add a new purchase to the database

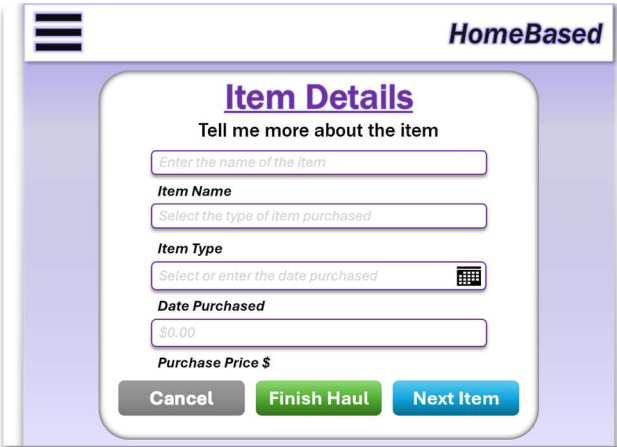

The landing page is identical to the one in the previous section, showing the 'Welcome Home' heading and the five action buttons.

Click Add new items.

The 'New Haul' screen has a purple header with the 'HomeBased' logo and a hamburger menu icon. The main content area is white with a purple border. It features a 'New Haul' heading, a question 'How many items?', a numeric input field with a minus, plus, and reset button, and a question 'Where did you purchase the item(s)?'. Below this are two input fields for 'Store Name' and 'Store Address', and 'Cancel' and 'Next' buttons.

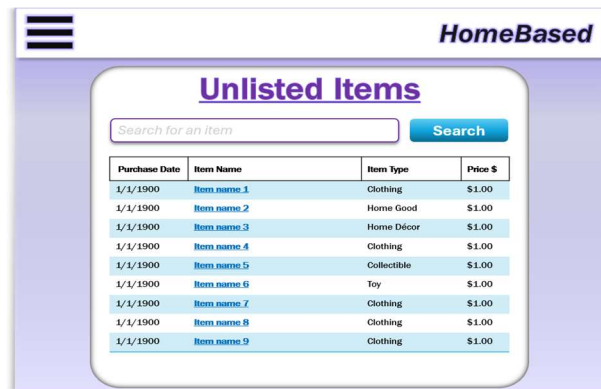

Select number of items, enter the store name and address; then click next.

The 'Item Details' screen has a purple header with the 'HomeBased' logo and a hamburger menu icon. The main content area is white with a purple border. It features an 'Item Details' heading, a question 'Tell me more about the item', and four input fields: 'Item Name', 'Select the type of item purchased', 'Select or enter the date purchased', and 'Purchase Price \$'. Below these are 'Cancel', 'Finish Haul', and 'Next Item' buttons.

Enter the item name, select the item type, then enter the purchase date and price.

Use Case: Process unlisted items within the database
